

Tracy Sizemore
Senior Superintendent

Tracy's personality and work ethic bring a welcome and refreshing dimension to team Paramount team. As Senior Superintendent, he is regularly called upon to: oversee job site operations; manage construction teams and schedules, project progress and resource allocation; create cost estimates for labor, supplies, materials and other project costs; create schedules for workers and subcontractors; collaborate with clients, other managers, and other construction management to determine budget and time line; coordinate materials/equipment

delivery; hire subcontractors; and; keep Paramount management briefed and informed about project.

Tracy is extremely well organized, which helps to keep his team and his client comfortable. He is obsessive about his job sites being clean and neat, which is manifested in his sterling record. He becomes emotionally involved in the success and of his projects, something his team picks up on. Tracy's clients appreciate at he is proactive and fearless about handling deadlines and challenges.
